## Our Cities, Our Department, Our Mission, Our Motto, and Our Values

The Cities of Centerville, Circle Pines, and Lexington are suburban communities that are part of a metropolitan area that is conveniently located just north of Minneapolis/St. Paul. The quality of life for our citizens is exceptional. Our community offers affordable housing, a variety of recreational and open space opportunities, convenient shopping, as well as very responsive municipal services.

There are excellent educational opportunities available for our residents through the Centennial School District and numerous quality colleges and universities within easy commuting distance. Our community affords the serenity, safety, and stability of small-town living yet we are close to the amenities of the big city.

In most satisfaction surveys our resident's rate their overall quality of life as "excellent" or "very good." Citizens feel safe in their homes, neighborhoods, parks, and schools. They are also appreciative of the high quality of local safety services.

Our three Cities have combined resources to create the Centennial Lakes Police Department, a unique joint governance law enforcement agency. We are comprised of 23 highly professional sworn and civilian personnel who are dedicated to delivering quality safety service to our citizens.

Local fire protection and suppression service is provided by the Centennial Fire District and the Lexington Fire Department. These agencies combined with the Centennial Lakes Police Department and the Allina and MHealth Ambulance services provide an excellent emergency medical rapid response system.

Our officers respond to all calls for service, enforce criminal and traffic laws, provide deterrent patrol, engage in proactive policing and problem-solving measures, and foster positive interactions with our citizens.

It is the mission of the Centennial Lakes Police Department to enhance the quality of life for those living in our three Cities by providing highly professional and responsive safety service.

We are dedicated to carrying out our mission with pride and professionalism. We value quality and integrity in police services and we are committed to continued safety and stability of Centerville, Circle Pines, and Lexington. We are also committed to organizational excellence and to fulfilling our motto of

**"Serving with Courage and Compassion".**

## Chief's Message **CHIEF JAMES MORK**

**It is my honor and privilege to present the 2023 Centennial Lakes Police Department's Annual Report.**

2023 presented some significant staffing challenges for CLPD, staffing challenges that are being felt by cities all across the country. It's no secret that negative coverage of our profession, along with public protests and a few major incidents, have made college aged students think twice about choosing to enter this profession. Enrollment is down in many College Law Enforcement Training Programs, but there is hope. What the news tends to cover so negatively is unfortunately not an accurate picture. At CLPD, we do great work every single day. Our partnerships with neighboring agencies are strong. We have hired and have retained terrific officers that are truly dedicated to our mission of serving our communities with courage and compassion. I could not be more proud of the women and men of

this department and all the amazing ways they serve. While we as officers or as an organization can't change the negative narrative of policing overnight, one thing we can do is strive to leave each call better than we found it. I see evidence of that all the time as I read reports and receive emails and cards from residents. Our officer's commitment to organizational excellence is demonstrated on a daily basis. We currently have one full-time officer position open, and while we have interviewed numerous candidates, we have yet to find one with the skillset needed to meet our high standards. Hiring is a challenge, and great candidates are in high demand. We are working harder than ever to recruit the right candidate, someone who is willing to join a great team, willing to learn, willing to serve, and does so with compassion.

As you take the time to read through this annual report, I hope you enjoy seeing the great work our officers are involved in. CLPD has a very strong commitment to provide the highest level of police services possible every single day. Feel free to contact me if you have any questions.

Lastly, I'd like to thank all the women and men of the Centennial Lakes Police Department, the Police Governing Board, City Councils, City Administrators, Citizens, Schools, and Business Community for their continued support and encouragement. Let's all continue to work together to make our cities in Anoka County the best places to live, work, and play!

*Chief James Mork*

Serving with Courage and Compassion,

*James Mork*  
Chief of Police

## Captain's Message **CAPTAIN PAT ALDRICH**

**In 2024, I will be starting my 26th year at CLPD. I cannot believe I have been with this agency for a quarter of a century! I have had the opportunity to both learn from and teach a lot of officers over these years. I have continued to teach aspiring law enforcement students at Century College. Maintaining positive contacts with our citizenry, while navigating through the recruitment and retention of police officers, will continue to be our department's focus.**

*Captain Pat Aldrich*

Even though we hired one new officer in 2023, we were short staffed for a majority of the year. It has been our goal, as an agency, to hire the right officers, who fit our culture and have the ability to meet the expectations of our community. There has been a drastic drop in the number of applicants we have received over the past two years. As hard as it has been to find quality applicants, we will not lower our standards just to fill a position. We have had a successful hiring process up until now, and will maintain our quality assurance. We are fortunate and excited to add a 17<sup>th</sup> officer position in 2024.

Our agency has become more active in the community. Getting back to more normal public interaction, during these post-covid years, has been exciting. We were able to have a successful Night to Unite, where there were several participants in all three of our cities. Public Safety Night at Fete-de-lacs was well attended, and as usual the helicopter and K-9 presentations were the main attractions. We had officers join the mentor program at Golden Lake Elementary, and have once again participated in the Senior Expo at St. Genevieve. These are just a few of the events that all of our officers have participated in 2023. We look forward to more community engagements in 2024!

# Department History

**I**n the late 1940's, Herman Heath became the first day-time Constable for Circle Pines. City Councilmen took turns providing policing duty at night. After formation of the village, a "one-man" police department was formed. The Village of Circle Pines acquired an ambulance/squad car to patrol and to transport injured or ill residents the many miles to the nearest hospital.

In 1954, Joseph Matzke became the first Lexington police officer. Officer Matzke was paid \$10 per month to cover gas and other expenses, plus he received a portion of the fines assessed for infractions of ordinance.

As early as 1965, a joint police force was discussed between Lexington and Circle Pines. It wasn't until 1975 that a joint powers agreement was adopted by the two cities creating a combined police department. The police department was governed by a commission, rather than directly by the two city councils. Ronald Nicholas became the first Chief of the Circle Pines-Lexington Police Department.

The department, consisting of four officers, was first housed in a portioned-off corner of the Circle Pines "fire barn". Part-time officers were later added to extend coverage. All officers shared one police patrol car, a 1973 Plymouth inherited from the City of Lexington.

In 1978, the police department moved from the fire barn to an office in the shopping area of 9201 Lexington Avenue. In June of 1986, the department moved again, this time into the lower level of the new Circle Pines City Hall.

In 1991, the Circle Pines-Lexington Police Department began providing contracted police protection to Centerville. In December of 1999, a Joint Powers Agreement was completed, and on January 1, 2000, a tri-city "Centennial Lakes Police Department" was formed to provide law enforcement and safety services to the cities of Centerville, Circle Pines, and Lexington.

In 2006, a new police station was built on the corner of North Road and Lake Drive in Circle Pines. Today the Centennial Lakes Police Department is comprised of 16 sworn officers and 6 civilians who are fully dedicated to providing quality service to our three cities. Exceptional personnel, a low crime rate, public confidence in our ability and integrity, policies and practices in accord with national standards, and innovative problem-solving and outreach programs are just a few of our noteworthy accomplishments.

We take great pride in our entire community, our department, and in our commitment to protect and serve the citizens of the cities of Centerville, Circle Pines, and Lexington.

## The Cities We Serve **CENTERVILLE**

The City of **Centerville** is located in eastern Anoka County approximately 13 miles north of St. Paul. Centerville's population of nearly 4,000 people encompasses an area of 2.4 square miles.

Centerville and Peltier Lakes provide the area with recreational opportunities for fishing and boating. Centerville is also the entrance for the Rice Creek Chain of Lakes County Park and Trail System. The park includes a beach, a boat launch, a large campground, a walking/biking trail, a playground, and facilities for family events and civic functions. The entire park is a popular destination for outdoor sports enthusiasts and families seeking a rural-like refuge from the big city.

Centerville is a growing community with a business park and land available for future residential and retail development. The City is home to St. Genevieve's Church and nearby Eagle Brook Church. The close-knit community hosts a number of very popular civic events throughout the year including fishing tournaments, running and bicycle races, ski shows, and the Fete des Lacs summer festival and parade.

The City of **Circle Pines** is located 15 miles north of Minneapolis and borders the Cities of Blaine, Lino Lakes, Shoreview, and Lexington. Circle Pines is a predominately residential community of nearly 5,000 people. The 2 square miles of land area is fully developed. Lake Drive is a major thoroughfare through the City providing direct access to area freeways.

Circle Pines is the only suburban city that operates its own natural gas distribution company – a result of its cooperative history. The system serves all of Circle Pines and portions of the Cities of Blaine and Lino Lakes. Circle Pines also provides its own water and sewer utilities to its residents.

Circle Pines is a great place to live, raise a family, do business, or just visit. In 2011 the City of Circle Pines was named by CNBC as the "3rd Most Perfect Suburb in the United States". The local Centennial School District is highly regarded in the State of Minnesota providing area students with award winning academic and athletic programs and facilities.

Circle Pines is a vibrant community with a diverse housing stock. A small but successful business community supports its primarily residential base. The City is home to a County branch library, area post office, many parks and open spaces, walking paths, several lakes, and a variety of recreational facilities. The City of Circle Pines boasts a comprehensive municipal service center and is dedicated to livability through quality services.

## The Cities We Serve **LEXINGTON**

Located in the southeastern corner of Anoka County the City of **Lexington** is a small suburban community of nearly 3,000 residents. The very proud and tight-knit community is adjacent to the I-35W freeway providing easy access to virtually anywhere in the Minneapolis/St. Paul metropolitan area.

Lexington is host to a variety of businesses, retail shops, restaurants, and several very popular entertainment venues. The Northway Shopping Center located along the central corridor of Lake Drive includes a grocery store that provides goods and services to a much larger area population base.

Lexington Memorial Park is a popular venue for summer little league teams from throughout the region. Residents enjoy a variety of other recreational amenities associated with this very large park complex.

The City of Lexington was incorporated as a village in 1950. Leo Ryan was a local civic leader who was instrumental in organizing the petition for the new village. Ryan suggested that the village be named Lexington in honor of his old army unit, the First Pioneer Infantry Regiment which was formed at the beginning of the Revolutionary War. That unit met the British in the Battle of Lexington. Various City themes and names now revolve around the Revolutionary War and Battle of Lexington, including the City's Minuteman logo and many street names including Patriot Lane, Liberty Lane, and Minutemen Lane. The citizens of the City of Lexington are very proud of their history, heritage, and home town.

## Criminal Investigations Unit

*Detective Katy Mannin*

The investigations unit of the police department continues to be a proactive resource for the citizens of Centerville, Circle Pines, and Lexington. In 2023, the Investigations Unit reviewed hundreds of reports that were submitted by patrol officers, Anoka County Child Protection, the Minnesota Adult Abuse Reporting Center, and other agencies, along with information obtained from citizens and confidential informants during the course of their work.

Our investigations unit relies on body worn camera footage resulting in prompt and successful resolution of cases. Duties of our investigations unit include reviewing gun permit applications, conducting background investigations for city employees and business licenses, managing digital evidence, processing physical evidence, forfeitures, filing cases with prosecutors, and preparing and serving search warrants.

## Support Services Bureau

The Records/Clerical Support Services Bureau provides essential assistance to Centennial Lakes Officers, administration, other criminal justice agencies and the citizens of Centerville, Circle Pines, and Lexington. The members of the Records/Clerical Support team take great pride in providing excellent customer service while offering assistance with accurate crime data information.

Police Record Technicians are responsible for all aspects of document control, including copying, distribution, data entry and filing of police reports, records, and citations. In addition to maintaining police records, the support staff responds to various inquiries by phone, walk-in, email and direct mail from the public and other criminal justice agencies.

### MEET OUR SUPPORT STAFF

*Jean Alt*

*Donna Anderson*

## Community Service Officers

Our Community Service Officers (CSOs) engage in a wide variety of para-professional support duties, including investigating civil complaints and enforcing city ordinance code violations. The CSO's goal is to gain voluntary compliance with property maintenance ordinances in all three of our Cities.

The Community Service Officers also perform vehicle lock-outs, patrol our parks, respond to medical emergencies, conduct animal control duties, support the clerical staff, collect and transport abandoned property, and assist with traffic control at special events and accident scenes.

They play an integral role in supporting and assisting our sworn officers and in maintaining the quality of life enjoyed by our citizens.

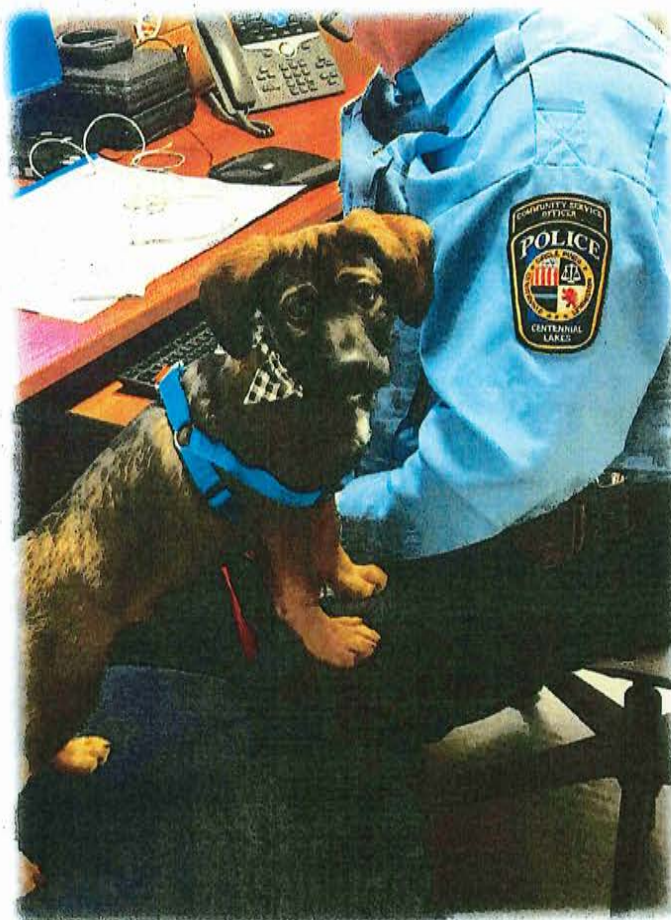

*Community Service Officer  
Jeff Lambrecht*

*Community Service Officer  
Isaiah Scarborough*

*Community Service Officer  
Chad Ziemer*

## Reserve Officer Unit

**The Centennial Lakes Reserve Officer Unit is comprised of community members who volunteer their time to fulfill several roles around the Police Department. The Centennial Lakes Police Department is proud to have Reserve Officers willing to get involved in our communities.**

Reserve Officers are uniformed and provide valuable services. Police Reserves perform volunteer services and assist full-time officers protecting and serving our communities of Centerville, Circle Pines, and Lexington. Tasks performed are those permitted by law and authorized by the Police Chief. These tasks include patrolling neighborhoods and parks, controlling traffic and crowds at crashes and events, assisting officers with inventory of impounded vehicles, and securing crime scenes.

Each Reserve Officer must successfully pass the department Field Training program. This training includes legal issues, radio usage, use of force, traffic control, and first aid.

In 2023, the Reserve Unit volunteered many hours of their time to the department. Twenty plus former Reserve Officers have gone on to careers in law enforcement. Some have remained with Centennial Lakes while others have been employed with other state, county, and local departments.

The Reserve program coordinators are Sergeant Wahlberg and Detective Mannin.

*Reserve Sergeant Yarwood & Reserve Officer Bengtson*

# Emergency Medical Response

**Each year officers of the Centennial Lakes Police Department respond to over 1,000 medical emergencies across our three cities. Calls for help can range from a simple nose bleed to a cardiac arrest.**

All CLPD Officers are either certified Emergency Medical Responders, Emergency Medical Technicians (EMTs) or Paramedics. In addition, our squads are equipped with a wide array of life-saving equipment including automatic external defibrillators (AEDs), Narcan (anti-opioid overdose kits), oxygen, tourniquets, airways, and the revolutionary ResQPUMP System to assist in delivering chest compressions during CPR.

In most cases our officers are the first to arrive on the scene of a medical emergency and are able to stabilize a situation until Fire/Rescue and/or an Ambulance Paramedic Unit arrives. CLPD Officers are the first essential link in the chain of critical care for the victims of injuries or illnesses. Early response and intervention have been shown to have a critical impact in a variety of medical emergencies. Fortunately, we are generally positioned to respond quickly when minutes can make the difference between life and death or at least minimize the long-term adverse impacts of a medical situation.

Our officers provide medical aid that improves the prospects of a full recovery for countless victims of medical emergencies. We find that it is reassuring to our citizens to know that we are trained, equipped, and readily available to respond to any and all emergency medical situations.

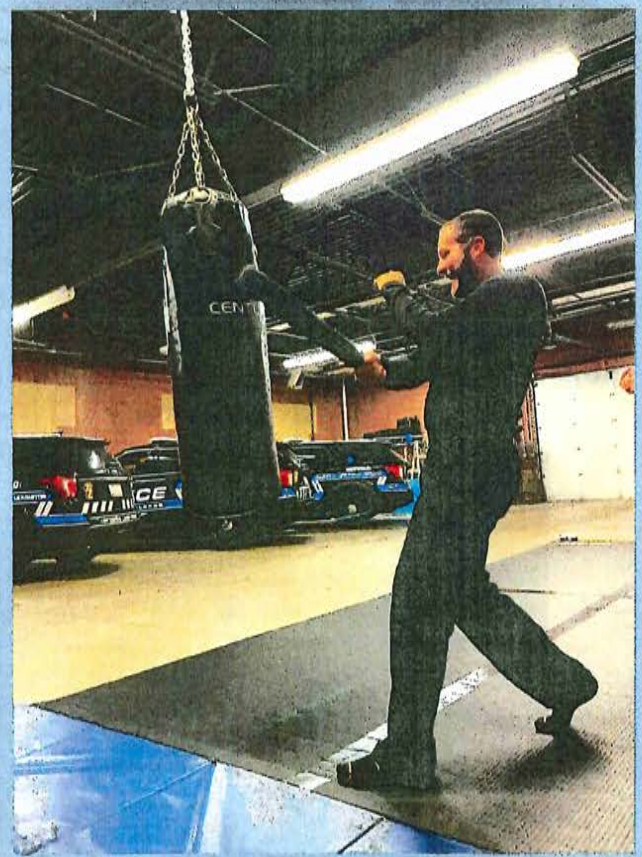

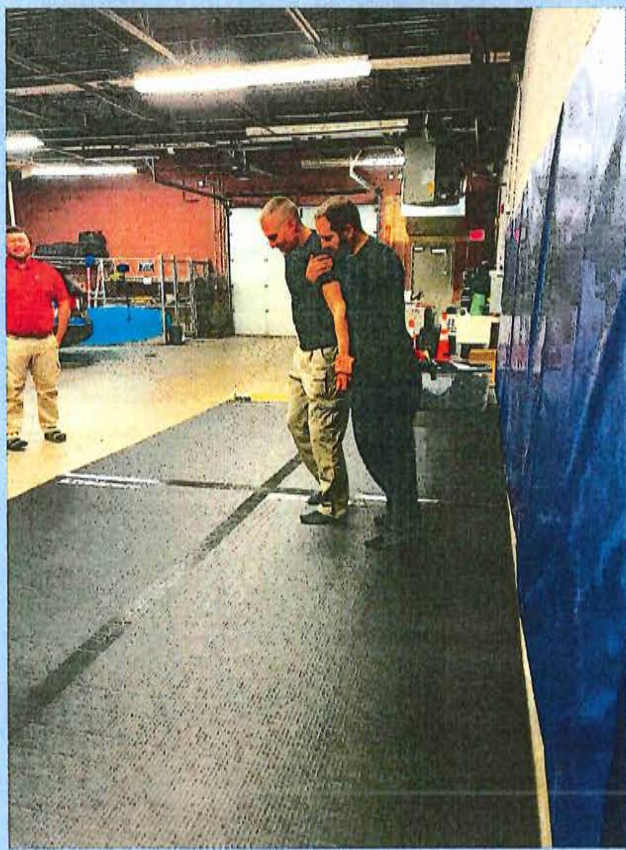

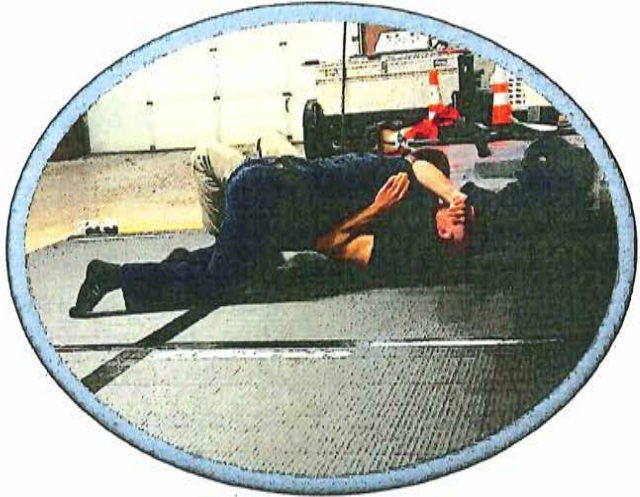

Many of our officers have been honored with life-saving awards and medals for everything from resuscitating the victims of heart attacks, to bringing back the victims of drug overdoses, to delivering babies. Even the victims of less critical situations can be reassured and comforted by the presence of a Police Officer/Medical First Responder.

We are very proud to be an important component of our local emergency medical response system. The partnerships that we have established with other area EMS providers include our local Fire Departments and Allina and MHealth medical services. It is an exceptionally high-level partnership and service that assures our citizens of the very best in critical emergency medical response and care. It is also one more important example of where we are serving and protecting the citizens of Centerville, Circle Pines, and Lexington.

# Training

Centennial Lakes Police Officers consistently attend both mandatory and elective training throughout the year. This training includes: de-escalation tactics, implicit bias awareness, mental health and autism recognition, use of force, firearms/active shooter, and emergency vehicle operations. Through Daily Training Programs, officers revisit department policy, watch videos, conduct real-life scenarios, and discuss current events. The officers continue to work with the Centennial Fire District to fulfill required emergency medical training.

## Social Media

CLPD has continued to use our Social Media as a progressive outlet for the news, happenings, and pulse of the department and community alike. Transparency is extremely important to us, and through the responses we receive during our postings reassures us that our citizens really appreciate our interaction. The number of followers we have generated on Facebook, Instagram, and Twitter continues to grow and helps keep us connected with our citizens. The goal of the CLPD social media outlets is to let you know we care, we are here for you, and as always, we encourage you to call us if you need us.

Through a positive and informative approach, we hope to reach even more citizens in the years to come, and let followers know we live and work in a great community.

## Prescription Drug Drop-Off Program

The Centennial Lakes Police Department is one of many sites where unused prescription medications can be dropped off as part of the Anoka County Prescription Drug Drop-Off Program. This gives community members the opportunity to bring in unwanted or expired prescription medications to be disposed of in a way which is safer for the community and environment.

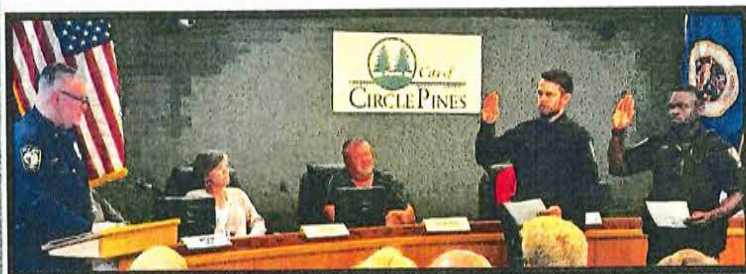

This program continues to be extremely popular. The drop off station in our foyer was emptied several times throughout 2023. **140 pounds** of medications were collected from Centennial Lakes Police Department and safely destroyed in 2023.

## Video Production

Municipal Producer Trevor Scholl hit the beach this June with a special video previewing the family fun and excitement available at Bunker Hills Regional Park, including the newly expanded disc golf course and the always popular Bunker Beach.

Back on dry land, Trevor continued his work on a series of promotional videos for Lino Lake's Rookery, including filming multiple classes and interviews. He completed a promo video for the Blaine Festival.

TJ Tronson had a busy June. He completed another episode of his great, new Centerville history series, with this entry focusing on the city's past as a "little Las Vegas." TJ also completed a promo video for the Ham Lake Freedom Festival and took archival photographs of this year's Spring Lake Park Tower Days.

Kenton Kipp, Ted Leroux, and the sports team turned their focus to city events this month, covering parades for Spring Lake Park and Blaine and graduations for all three of our area high schools.

Interim Co-Executive Director and News Director Danika Peterson and News Producer Eric Nelson created a number of city focused news stories, including multiple stories about Highway 65 construction, the summer storm that hammered Blaine and Lexington neighborhoods, the upcoming 3M Open and USA Cup, and a primary election preview for the City of Blaine.

## Equipment Consulting/Technical Support

### Blaine

- 6/4 – Responded on call to restore the Blaine cable channel signal following what appears to be a storm related failure of a Vio Video Server. Blaine and Centerville share the same Vio Server.

### Centerville

- 6/4 – Responded on call to restore the Centerville cable channel signal following what appears to be a storm related failure of a Vio Video Server. Blaine and Centerville share the same Vio Server.
- 6/4 – Went to city hall to attempt to live troubleshoot an audio feedback issue occurring during a Planning and Zoning meeting. Subsequent investigation pointed to a faulty Z Systems component, which Matt repaired.
- 6/12 – Planning and Zoning Meeting at St. Genevieve's Community Center. Set up a remote camera and microphone and assisted with tear down.

### Circle Pines

- 6/21 – Reprogrammed the Brightsign back up video player, which provides a dedicated audio/video loop to the station that can be used to check signal strength. The Brightsign also provides video immediately before and after all city meetings. Matt's experience with this particular

player gave him ideas on how to improve the function of the players at every city hall.

#### **Ham Lake**

- No assistance required.

#### **Lexington**

- No assistance required.

#### **Lino Lakes**

- 6/25 – Repaired the camera joystick in the Lino Lakes control room and left instructions for Anne on how to repair it during a meeting, if necessary.
- 6/26 – Devised a method of using YouTube to provide a video signal to overflow rooms during unaired city work sessions.

#### **Spring Lake Park**

- 6/25 – Met with Z Systems personnel for a final walkthrough of the new city hall space. This included finalizing wiring, camera, and monitor placement and scheduling for the actual install.

## Channel Management

Programming Coordinator Michele Silvester, along with help from Eric Houston and Trevor Scholl, is responsible for processing and scheduling the programming on the City channels. There are three categories of programs that are scheduled on the City channels: live and replayed meetings, NMTV staff created video content, and informational graphics pages. All categories of programming must be encoded, scheduled, and entered into the Tightrope playback system or uploaded to our CG servers, formerly known as Carousel. As each live meeting is being recorded at City Hall, it is routed to the North Metro TV head-end and then sent out live over the cable system. It is also simultaneously encoded on a server for future playbacks. The following meetings were processed this month:

Title	Producer	Runtime
Blaine City Council Workshop (6/3) (Not Televised)	TJ Tronson	1 hour 30 minutes
Blaine City Council Meeting (6/3)	TJ Tronson	1 hour 12 minutes

Circle Pines City Council Meeting (6/25)	Ray Flint	36 minutes
Anoka County Board Meeting (6/25)	TJ Tronson	1 hour 42 minutes
<b>28 New Programs</b>		<b>38 New Hours</b>

Meetings are scheduled for replay based on schedules requested by each City. Additional, full length video programs, produced by NMTV staff, are also scheduled on the channels. Shorter videos and promos are loaded onto the CG servers, rather than being scheduled as separate playbacks. These short videos play back in a repeating cycle, along with graphics pages, and air on the channels between scheduled programs, 24 hours a day. The table below outlines how many times a regular length video program was entered into the Tightrope system and played back on each City channel.

City	Number of Times Programs Played	Hours Programmed on Channel
Blaine	179	214 hours
Centerville	73	90 hours
Circle Pines	164	64 hours
Ham Lake	74	49 hours
Lexington	114	54 hours
Lino Lakes	97	197 hours
Spring Lake Park	182	127 hours

The last category of programming on City channels consists of a bulletin board, or graphics pages, that display information about the City, local events, and other issues of interest to citizens. With the installation of the CG servers, Eric Houston updates the information on all seven channels. He works closely with City staff to ensure that all requested informational slides are created and posted to the satisfaction of the City. Even though Eric is doing the work of creating the informational pages, the Cities maintain editorial control. In addition to the graphics pages, the CG units play video. Each video's producer is responsible for posting any short videos that are displayed. The following work was done for City CG servers this month:

- Blaine**
  - Uploaded 13 videos to CG.
- Centerville**
  - Uploaded 2 videos to CG.
- Circle Pines**
  - Uploaded 2 videos to CG.
- Ham Lake**
  - Uploaded 5 videos to CG.

- Spring Lake Park**
  - Uploaded 5 videos to CG.
  - Created 7 new CG slides.

## Closed Captioning

Closed captioning is an additional service provided by North Metro TV. Every city meeting is closed captioned live via our Tightrope system. That process is assigned a per-minute price by Tightrope. Once the meeting is recorded on our servers for repeat airings, that version of the meeting must be captioned separately. This is accomplished through a system owned by North Metro TV and does not incur an additional cost. The following table tallies the number of minutes of captioning provided to each city for the month.

City	Minutes of Live Closed Captioning	Minutes of Post Closed Captioning
Blaine	260	260
Centerville	513	513
Circle Pines	157	157
Ham Lake	175	175
Lexington	63	63
Lino Lakes	794	794
Spring Lake Park	120	120
<b>Totals:</b>	<b>2,082 Minutes</b>	<b>2, 082 Minutes</b>

## Meetings on Demand

NMTV has created a Video on Demand service, with agenda item bookmarking, for our Cities' meetings. In order to accomplish this, each meeting goes through several steps. The meeting must first be transferred and transcoded from the playback server to the video on demand server. Once that is done, a staff member must go through the meeting, entering a bookmark at the start of each agenda item and entering the corresponding chapter titles. Next, the meeting is linked to the NMTV website's city meeting page for Video on Demand. Finally, PDF copies of the meeting agenda are attached to the video. The following meetings were bookmarked and/or placed on VOD for the Cities this month:

- Blaine**
  - 4 meetings bookmarked and placed on VOD.
- Centerville**
  - 5 meetings bookmarked and placed on VOD.
- Circle Pines**
  - 3 meetings bookmarked and placed on VOD.
- Ham Lake**
  - 4 meetings bookmarked and placed on VOD.
- Lexington**
  - 2 meeting placed on VOD.
- Lino Lakes**
  - 5 meetings bookmarked and placed on VOD.
- Spring Lake Park**
  - 3 meetings bookmarked and placed on VOD.

## Meeting Podcasts

NMTV provides a city meeting podcast service. Depending on each city's wishes, any or all meetings can be converted. All podcasts are available across six platforms: Apple Podcasts, Spotify, Podbean, Amazon Music/Audible, iHeart Radio, and Pocket Casts. Links to each platform are available on each individual channel's website and at [northmetrotv.com/podcasts](http://northmetrotv.com/podcasts).

## **Meeting Transcripts**

---

NMTV also provides a city meeting transcription service. Depending on each city's wishes, any or all meetings can be transcribed. The transcripts are generated using an online platform called Otter.ai, which creates an interactive transcript that is broken down by speaker. Anyone using the transcript can click on any word to hear the meeting audio. Once created, links to each transcript are sent to relevant city staff, who often use the transcripts to help with creating meeting minutes.

## **Administrative**

---

### **Franchise Extension**

- Received a proposal from Comcast to extend the current cable franchise for 3 – 5 years.
- Discussed options with commission attorney Mike Bradley.

### **Audit**

- Worked with accountant and audit team to make sure they have access to all of the information needed to complete the annual audit.

### **Employee Reviews**

- Continued annual employee reviews.
- Each employee review will be conducted during the month of their work anniversary.

- Employees will be asked to complete a self assessment. This will be followed by a written evaluation from the Interim Co-Executive Directors and then an in person meeting to discuss accomplishments and goals for improvement.
- Met with Meg Sawyer from Lino Lakes Human Resources to discuss the effectiveness of our plans and strategies. She thought we were doing great!

### **Fridley**

- Began training on Fridley city equipment and creating a series of instruction manuals and procedures for NMTV staff.
- Attended an introductory meeting with Fridley city staff to answer questions about future video projects.

### **Columbia Heights**

- During a phone call regarding the Columbia Heights parade, city staff expressed interest in a larger partnership with North Metro TV. Their current interest is in city meeting recording. An in person meeting was tentatively set for July.

### **Commercial Rates and Fees**

- Met with station staff to cement NMTV commercial rates and fees as well as procedures for providing quotes to clients. Those rates and procedures were then set down in a staff memo.

### **Cable Customer Requests**

- Requests forwarded to Comcast:
  - Dorothy Voss of Blaine called to inquire about a notice she had received saying she was late in paying her bills. Dorothy believed that she always paid her bills on time. I told her I would ask Comcast to give her a call as she had been unable to understand the call center representative. Additionally, Dorothy has been experiencing frequent phone service interruptions due to nearby roadwork.
- We also receive a steady stream of phone calls from Comcast customers who call us in error after finding our number on their bill. We typically provide them with the proper number for Comcast and recommend calling them directly to resolve the issue. If they cannot resolve the issue in this way, we invite them to call back. We received 7 such calls this month.
  - 3 were general billing questions.
  - 1 was a question relating to Bally Sports.
  - 2 were calls about service interruptions.
  - 1 was about a late service call.

### **Miscellaneous**

- Reviewed June Legal Report
- Read industry articles

### Program Production

In June, **101 new programs** were produced using the North Metro TV facilities, funds, and services. That's **88 hours of new programming**.

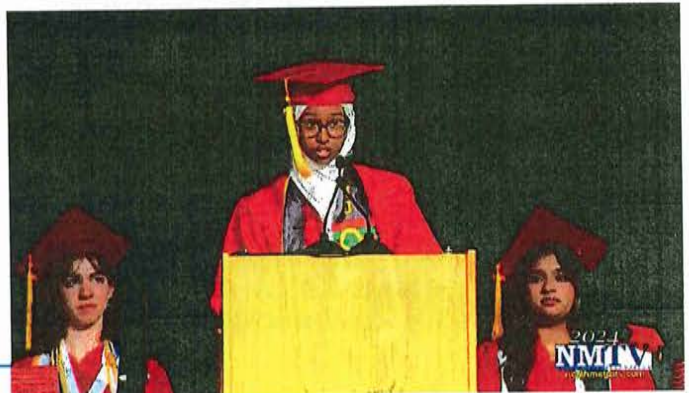

- 33 programs were produced by the public
- 66 programs were produced by NMTV staff
- 2 programs were produced by city staff

### Truck Shoots

The HD production truck was used for 25.25 hours of production. The following events were produced live and/or recorded for additional playback:

- Spring Lake Park High School Graduation Ceremony 2024 (6/4)
- Spring Lake Park Tower Days Parade 2024 (6/6)
- Centennial High School Graduation Ceremony 2024 (6/8)
- Blaine Parade Festival Parade 2024 (6/29)

### vMix Live Streaming Shoots

Staff used the vMix single camera production system to record and stream 9 events. The vMix system requires significantly fewer staff members than the production truck. Often, a single staff member can film and stream a game live, all at the same time.

- Blue Heron Elementary Kindergarten Graduation (6/3) – **Paid Event**
- Girls Lacrosse 7A Final - Andover at Centennial (6/6)
- Boys Lacrosse 7A Final – Champlin Park at Centennial (6/6)
- Boys Volleyball State Qualifier – Blaine vs Andover (6/6)

## Station Highlights

### NMTV News Highlights

Each week, Danika Peterson and Eric Nelson craft a variety of news stories that highlights events, people, issues, and information important to citizens of our Member Cities.

Some highlights include:

- Spring Lake Park Middle School Students Use Math and Science in Planting
- East Blaine Mosque and Academy to Move into Minnesota School of Business Building
- Pothole Count Low This Spring
- Top Honors at National STEM Fair for Blaine Girl

In addition to daily playbacks of North Metro TV News on the cable systems, there are **1,349 local stories** archived for viewers on the **NMTV YouTube channel**. The channel can be also be accessed through [northmetrotv.com](http://northmetrotv.com).

### Highway 65

They say there are really just two seasons in Minnesota: winter and construction season. Well, the latter is full swing with the long awaited Highway 65 project underway and in its earliest stages. This is clearly a topic our viewers cannot get enough of. We have been creating videos about this all year, including four this month. One of those, as you can see above, was the most popular video of the month. Altogether, the Highway 65 videos are responsible for 16,845 views in June. As one of the area's major traffic arteries, it's no surprise that viewers are hungry for updates on how the project is going and how it will affect their commute. We will be sure to keep them informed with all the latest road reports over the coming months and years!

### Storm Damage in the North Metro

After summer storms rocked the area at the beginning of the month, News Producer Eric Nelson jumped in his car and went to work. Eric visited a Lexington neighborhood that saw serious damage and offered an ear and a platform for those affected to tell their stories. One 38 year resident even saw a tree break through the side of his house, but he and his family are well.

### Rice Creek Watershed Anniversary

TJ Tronson profiled the Rice Creek Watershed District, in honor of their 65<sup>th</sup> anniversary. The district, which includes Blaine, Ham Lake, and Spring Lake, is the second oldest in the state. TJ spoke to District Administrator Tim Kelly and filmed action shots of a survey team in the field, presenting viewers with a look at the watershed's responsibilities and programs in action.

### Antiques at the Mary Ann Young Center

For the first time, Eric Houston brought his DIY Antiques Appraisal class to Blaine's Mary Ann Young Center. 28 people attended the class which teaches seniors how to use internet resources to research their interesting and potentially valuable items. Some notable items included a World War 2 Japanese bayonet valued at \$100 - \$200, a Bakelite purse valued at \$200 - \$300, and a late 19<sup>th</sup> century Martin Guitar valued at \$7,000.

### 3M Open and USA Cup

Once again, two of the north metro's biggest sporting events are on their way to Blaine. News producer Eric Nelson previewed both the 3M Open and the USA Cup this month, informing viewers about the coming fans and need for volunteers. We will be there when both events swing into high gear in July.

### Public Access Milestone

Public Access producer Rick Larson celebrated an astounding milestone this month with the airing of the 1,900<sup>th</sup> episode of his show LovePower. Blaine native Larson has been producing the weekly music and ministry showcase for more than 30 years. North Metro TV, in one incarnation or another, has been his producing home the entire time. LovePower airs on several public access channels across the metro as well as in other states and even in Africa. Rick also produces a companion show, The Power of Love. That program has aired 500 episodes. Rick plans to reach his 2,000<sup>th</sup> episode within the next two years.

### City Productions

This month, Municipal Producer Trevor Scholl visited Bunker Hills to create a special preview of summer activities, including the always popular Bunker Beach and the newly expanded disc golf course. Trevor also visited Serenity Bean Coffee, a nonprofit café dedicated to helping people with addiction recovery, and created a special promo for this year's Blaine Festival.

Trevor touches base with contacts on a regular basis and also encourages cities to contact him with ideas for new videos.

**3. CITIZENS FORUM**

*Telly Foley,  
9034 Lexington Ave.  
Lexington, MN.*

*Ms. Foley was present explaining that she just bought a new home in Lexington and claims that Lexington has an infestation of Emerald Ash Borer in their trees. She received a letter from the city saying she needed to take down her dead tree. She stated that she spoke with the DNR and that her tree has Emerald Ash Borer and she should wait until the fall to take it down.*

*Ms. Foley continued by saying that she has a friend that lives in Richfield, and in that community the City takes down their trees with Emerald Ash Borer at no cost to the homeowner. Councilmember Winge stated that the City doesn't have the funds to take down trees on private property. Discussion ensued.*

*Petracek stated that if she talks to the administrative assistant in city hall, she will give her an extension on the timeline to have the tree taken down.*

**4. APPROVAL OF AGENDA WITH CHANGES AND CORRECTIONS**

Manual

*Councilmember Devries made a motion to approve Resolution NO. 24-12 A Resolution Approving Management, Non-Union Benefits and Amending the Personnel Policy Manual. Councilmember Murphy seconded the motion. Motion carried 5-0.*

- E. Discuss lawsuit and settlement agreement filed in Anoka County District Court styled "Mindy Fiester and Todd Messer, Plaintiffs vs. City of Lexington, Defendant." Court File No. 02-CV-23-5806

*Attorney Glaser stated we have a statement from the LMCIT Attorney's that represented the City of Lexington in this lawsuit. He read the statement allowed.*

*Attorney Glaser further explained the court complaint, and the settlement agreements with Feister and Messer.*

*Mayor Grote stated on behalf of the former fire chief that the only information that was shared with him from Feister was that if you knew what happened, you'd have to take action and then she followed up with, "I don't want to do anything because I don't want to ruin anybody's career." Grote continued saying that the first he knew about anything was when she recorded the interview during her review. At that point there was really nothing indicated until the next officers meeting about the actual violation. I guess in defense of the fire chief when he was the fire chief, I just wanted to share that information.*

*Councilmember Winge asked Mayor Grote that Feister didn't want you to do anything about it? Mayor Grote replied Feister didn't want to ruin anybody's career. The incident happened in December, and the first he knew about any of this was in May when I gave her annual review. Winge stated that it was a pretty serious allegation, though. Mayor Grote stated it wasn't a serious allegation in May. Mayor Grote stated there was no act that happened. He continued saying that in July at the officer's meeting is when the actual claims came out and he contacted the police chief, city attorney, and city administrator. Prior to that, it wasn't brought to his attention.*

*Councilmember Murphy asked Mayor Grote when he was questioned by Calandra Revering during the personnel investigation that you knew nothing about this and you lied under oath. Mayor Grote stated he didn't lie under oath and he didn't know about the incident and it wasn't on the tape. I read the transcription that was provided and that wasn't on there. Councilmember Murphy stated he's listened to the tape several times and it was a part of the tape. Mayor Grote stated that the only tape that he listened to was the recording in the officer's meeting and that was when he acted on it. I am not lying. Murphy stated you let this go for month. Mayor Grote stated he didn't let it go for months. Mayor Grote stated he didn't know about the actual crime until the officer's meeting. Mayor Grote stated he would put his hand on a bible and swear he did not know about the incident. Discussion ensued.*

*Councilmember Murphy stated that there are always two sides to the story and we thoroughly investigated this entire incident for months and I'm sorry Gary, I don't mean any disrespect to you, but you are trying to save your own skin right now by denying these allegations. Discussion ensued.*

*Councilmember Devries made a motion to accept the settlement agreement filed in Anoka County District Court styled "Mindy Fiester and Todd Messer, Plaintiffs vs. City of Lexington, Defendant." Court File No. 02-CV-23-5806. Councilmember Murphy seconded the motion. Motion carried 5-0.*

#### **4. MAYOR AND COUNCIL INPUT**

*Devries asked if we were having a meeting on July 3rd. Petracek stated that he doesn't have anything for the agenda except business license renewals and they can be pushed off until the following meeting. Petracek added he doesn't think there will be a quorum. Discussion ensued.*

*Councilmember Benson made a motion to cancel the July 3rd, Regular City Council meeting. Councilmember Devries seconded the motion. Motion carried 5-0.*

#### **5. ADMINISTRATOR INPUT**

*Petracek stated that the date to install the city hall sign would be June 20-21st, but since the weather is bad they haven't begun. Discussion ensued.*

#### **6. ADJOURNMENT**

*Councilmember Winge made motion to adjourn the meeting at 7:36 p.m. Councilmember Devries seconded the motion. Motion carried 5-0.*

**No Council Workshop**
