The City of Lexington will celebrate 75 years as a town on May 21st of this year. We started out with a population of 569 residents when we incorporated as a village with a vote of 96 to 61. As of the 2020 census we have grown to 2,460 residents. Our 1st mayor was Cyrus Palmquist. We have had a total of 19 Mayors with our current being Mike Murphy. Later that same year on November 11th the Lexington Fire Department was formally organized. They became officially recognized by the State as a department in 1954. They purchased their 1st truck (1946 Ford) from a garage in Princeton. Over these past 75 years Lexington has continued to grow and develop as a community. We are thankful to all the residents and businesses that call Lexington home, and look forward to many more years for our GREAT CITY!

Need to pay your utility bill? or looking for a business in town? Check out our city website.

www.lexingtonmn.gov

There are many resources available to help you. Watch Council meetings, check out our calendar for upcoming events, research city ordinances, find transportation options, read community news and so much more.

Do you have a picture or video of something beautiful, fun or amazing in our city? Email it to :

brenda.beaudet@cityoflexingtonmn.org

and it could end up on our Seen Around Town page.

Hydrant Flushing 2nd Week in May

Spring is here, and along with that comes **Hydrant Flushing**. We flush water lines through the use of fire hydrants, which is an important preventive maintenance activity. Although it may appear to waste water, the process is part of a routine maintenance program necessary to maintain the integrity of the water system and allowing us to ensure the hydrants are in proper working order. As a result of the line flushing process, residents in the immediate vicinity of the work may experience temporary discoloration of their water. This discoloration consists primarily of harmless silt and air and does not affect the safety of the water. If you experience discoloration in your water after crews have been flushing in your neighborhood, clear the pipes in your home by running all **cold** water faucets for a few minutes. The same philosophy of water line and hydrant preventive maintenance is one that you should use in your own home to ensure the quality of water inside your home. Your home's water heater should be drained and flushed on a regular basis to keep it working effectively and efficiently.

Water Service Rates, effective 1/1/2025

NO CHANGE IN RATES FROM 2024

The following residential rates will be applied for quarterly water service (base plus usage):

	0-15,000 gal	15,001-30,000 gal	30,001-40,000 gal	40,000+ gal
Base	\$18.52	\$18.52	\$18.52	\$18.52
Usage	\$3.01	\$3.72	\$4.97	\$6.89

The following commercial rates will be applied for quarterly water service (base plus usage):

	0-15,000 gal	15,001-30,000 gal	30,001-40,000 gal	40,000+ gal
Base	\$18.52	\$18.52	\$18.52	\$18.52
Usage	\$3.01	\$3.72	\$4.97	\$6.89

Wastewater Service Rates, effective 1/1/2025

The following rates will be applied for quarterly wastewater service:

Metered water service (base plus usage)	
Base	\$13.67
Usage	\$3.88 for each increment of 1 to 1,000 gallons of water consumed summer usage based on October through March average water usage
Non-metered water service	
\$62.57 per unit	
Qualifying residential senior	
\$37.68	
Qualifying residential senior is defined as a resident who is 62 years of age or older. Proof of age will be required by 1 (one) member of household and application for discount must be completed and filed at City Hall.

Grills

Outdoor Fire Pits

Chimneys

Smoke Alarms

Dryers

Pet Owners

With the warm summer weather bringing more walks and romps to the park and around the neighborhood, please remember, by City Ordinance, it is required to clean up after your animals and keep them on a leash.

REMINDER

Earth Day *April 22nd*

Do you have a spring or summer building project? Be aware that you will need a building permit.

Permits can be filled out online on the city's website. Look under :

Government / Permits, Licenses & Forms

Scan the QR Code
call or stop in and speak
to Pete or Brenda if you
need assistance or have
any questions. (763) 784-2792
We are here to help!

REMEMBER

If someone stops by your house selling anything, they must have a Peddlers/Solicitors License issued by The City of Lexington. Make sure to ask to see their license. If they do not have one they are not allowed to sell in our city.

Thank you for Recycling
and for Protecting our
waterways by keeping
grass clippings out of the
storm sewers!

FOR YOUR CONVENIENCE

There is a drive up drop box located in the parking lot on the west side of City Hall. Enter from Woodland Road and it will be on your drivers side.

Recycle Better

NO! Shredded Paper

Don't toss bagged or loose shredded paper into the recycling cart. Its small size falls through recycling processing equipment and contaminates other recyclables for capture.
