Mayor and Council,

My name is Brandon Winge. I am asking for your consideration to fill the vacant council seat left by council member Benson. I have lived in the city for over 12 years now. My wife and I own a duplex in town, and absolutely love it here. We have a son that's a Junior at Centennial High School. I have a degree in accounting from St Mary's University. I am currently a project manager at a small construction company, and part owner of a small metal fabrication business. I have 5 years of prior experience on the City Council. I love being involved in what's going on in our city. I think a lot of people would rather sit at home and complain about things, but I would rather do something about it. I enjoy discussing issues with people that have different opinions than me, and seeing if we can find common ground. For the past year I have been serving on the Planning and Zoning Commission. I like to help out the city and stay involved in any way I can.

Thank you for your consideration

Brandon Winge
