

CITY OF LEXINGTON
COUNTY OF ANOKA
STATE OF MINNESOTA

ORDINANCE NO. 18-02

AN ORDINANCE REPEALING ORDINANCE 16-03 REGARDING THE REGULATION
OF PRIVATE WATER SUPPLIES

The City Council of Lexington does hereby ordain as follows:

ORDINANCE 16-03 IS HEREBY REPEALED.

The effected sections of the City's Code of Ordinances shall be restored to their previous language.

CHAPTER 3; SECTION 3.20 – RULES AND REGULATIONS RELATING TO WATER SERVICE; SUBD 5. PRIVATE WATER SUPPLIES is hereby amended as follows:

SECTION 3.20. RULES AND REGULATIONS RELATING TO WATER SERVICE.

SUBD. 5. PRIVATE WATER SUPPLIES. No water system shall be connected with any pump, well, pipe, take or any device that is connected with any other source of water supply and when such are found, the City shall notify the owner or occupant to disconnect the same and, if not immediately done, the city water shall be turned off. Before any new connections to *the city system water* are permitted, the City shall ascertain that no cross-connections will exist when the new connection is made. When a building is connected to "city water", the private water supply may be used only for such purposes as the City may allow. Property served by a private water or private sewer system shall immediately connect to public sewer and *public city* water whenever a private sewer or private water system fails, falls into disrepair, or creates a nuisance or health hazard. A system "falls into disrepair" when the cost of the repair exceeds \$500.00. ~~In any event, all property served by private sewer or private water systems must connect to public sewer or city water no later than October 1st 2019.~~

This Ordinance shall be in full force and effect from and after its adoption and publication as required by law.

PASSED by the City Council of the City of Lexington this 1st day of November, 2018.

Mark Kurth, Mayor
