LEXINGTON CITY CODE – SECTION 8.02

Subd. 6. Special Permission. The City Clerk or his/her designee may issue an “Overweight Permit” authoring an individual whose gross weight exceeds the restrictions herein set forth and posted. The individual must make application to the City showing good cause for the permit. The application shall specifically describe the vehicle or vehicles, streets, particular routes to be traveled, and period of time for which permit is requested. The application will be reviewed by the Public Works Director or his/her designee for recommendation. If granted, proof of the permit shall be carried in the vehicle and shall be open to inspection.

“Overweight Permits” will only be granted after the following have been submitted to the City:

A. The applicant shall furnish to the City a bond with good and sufficient surety there on guaranteeing to secure the payment of all costs of putting the streets in as good condition as it was before the restriction. The bond shall be in an amount as determined by the City Clerk or his/her designee.

B. The applicant shall pay the City Clerk a fee equal to the total cost to the City of issuing the permit including all legal fees, engineering fees, and other administrative and investigative costs.
