Remembering Mayor Michael Pitchford

Michael R. Pitchford
1949-2019

Lexington City staff were saddened at the news of the former Mayor's passing in March.

He was passionate about serving the residents of Lexington. His service included 16 years on the Lexington Fire Department along with serving as Police Commissioner of the Centennial Lakes Police Department for 22 years and then 4 years as the Mayor of Lexington.

His humble wit and warm personality will be remembered fondly.

Power Pack - Food for Thought

- One in five Minnesota families with children will experience hunger or food insecurity
- Approximately 1/3 of those served by the Centennial Food Shelf are children
- Hunger is known to have a negative impact on learning

A Powerpack provides:

- One Milk**
- One Juice Drink**
- Two Breakfast Items**
- Two Dinner Items**
- Four Healthy Snacks**

- Transport donations from local grocers, businesses and food banks
- Weigh and sort donated food
- Assist with inventory rotation and food freshness
- Assemble Powerpacks -Set up for students packing projects
- Transport Powerpacks to schools
- Deliver Powerpacks to children's lockers
-

Or simply donate food or money

For more information
www.centennialfoodshelf.org

Or simply Donate food or money for this program

To date hundreds of POWERPACKS have been distributed to students each week at local Centennial schools
For more information visit
www.centennialfoodshelf.org

Just a reminder that the Anoka County Household Hazardous Waste Facility's (HHW) warm weather hours:

**Mondays
9am-3pm
Wednesday
2pm-8pm
Friday and Saturday
9am-3pm**

April-October

Pet Owners:

With the warm summer weather bringing more walks and romps to the park...and around the neighborhood, please remember - by City Ordinanceit is required to clean up after your animal and keep them on a leash.

The Lexington Farmers' Market kicked off in the new location on Woodland Road off of Lexington Avenue with returning vendors offering a variety of items including fresh, local produce, preserves, crafts, flowers and more fresh products directly from the farm. The Lexington Farmers Market allows consumers to have access to locally grown, farm fresh produce.

City Offices will be closed in observance of the Labor Day Holiday Monday, September 2nd

Happy Labor Day

WHAT IS BRIDGING?

Mission Statement: Through the effective reuse of donated items, Bridging improves lives by providing quality furniture and household goods to those transitioning out of homelessness and poverty.

Bridging, a 501(c)(3) nonprofit organization serving the greater Twin Cities, is the largest furniture bank in North America. Through the effective reuse of donated items, we improve lives by providing quality furniture and household goods to those transitioning out of homelessness and poverty. Driven by volunteers and donations of furniture and household goods from the community, Bridging has furnished over 60,000 homes since 1987.

To serve as many people in need as possible, we work with a network of over 150 referring agencies, including social service and non-profit organizations, who refer clients to us. These partners verify there is a need with each household before they walk through our doors.

ITEMS WE ACCEPT:

Bridging is in constant need of mattresses, box springs and dressers. We also welcome the following furniture and household goods:

- Living Room Furniture
- Dining Room Furniture
- Bedroom Furniture
- Kitchen Essentials: Dinnerware, Cookware, Bakeware, Drinkware, Pots/Pans & Utensils

Small Essentials: Linens, Bedding, Towels, Pillows, Lamps & Small Appliances

SCHEDULE PICKUP

Send your stuff to Bridging. You pick a time. We'll send a truck.

Environmental Protection TIP #3

Disposable not Flushable

No Wipes in the Pipes!

Convenience wipes such as baby, hygienic, cleaning and disinfectant, as well as toilet bowl scrubbers and even paper towels might be labeled as "disposable or flushable" but these items should not go down the drain. Products like these do not break down in the sewer system, causing plugs in sewer pipes and pumps, resulting in sewage backups, costly cleanups and environmental consequences that can result in rate increases.

What can YOU do to help?

1. Do not flush objects down the toilet such as wipes, diapers, feminine hygiene products, or dental floss.
2. Dispose of these items in your household or business trash receptacle.
3. Inform those who clean your house or business of proper disposal methods for convenience products.
4. Select cleaning supplies that can be washed and reused.

For additional information visit our website at www.grcity.us or call 456-3625. With your help, we can keep our sanitary sewers running smoothly.

Streetlight Outages

The City of Lexington has streetlight maintenance contracts with the electric utility company that services your neighborhood.

If you notice that a streetlight is not working, please contact your electric company directly.

You may be asked for a pole number.
